CONGRATULATIONS TO THE 2013 WINNERS of the Nobel Prize in Chemistry >>>

> [Martin Karplus](#)> [Michael Levitt](#)> [Arieh Warshel](#)

ACS Publications congratulates Martin Karplus, Michael Levitt, and Arieh Warshel on winning the 2013 Nobel Prize in Chemistry for the development of multiscale models for complex chemical systems.

The ACS is honored that these esteemed scientists have published in the following ACS journals: *Accounts of Chemical Research*, *Biochemistry*, *Chemical Reviews*, *Inorganic Chemistry*, *Journal of the American Chemical Society*, *Journal of Chemical Information and Modeling*, *Journal of Medicinal Chemistry*, *Journal of Chemical Theory and Computation*, *The Journal of Organic Chemistry*, *Journal of Physical Chemistry A, B, C, and Letters*, and *Macromolecules*. The winners have also authored several chapters in the *ACS Symposium Series* and *Advances in Chemistry* books.

Congratulations ACS author [Thomas Südhof](#), on the 2013 Nobel Prize in Physiology or Medicine.

View the [Martin Karplus Festschrift](#) from *JPC*.

Stay up-to-date on the most note-worthy research! Register for [free e-Alerts](#) from ACS Journals.
